Short story about art preserving journey

Yulia Hlushko
manager and co-founder of
Scenography Gallery

How did we start the Gallery?

- Once upon a time an actor, a scenographer and a project manager entered the bar ... 😊
- ... and discovered:
 - how underexposed Ukrainian scenography is – within and outside Ukraine;
 - how great is the lack of communication between scenographers;
 - how weak is educational abilities – though we have a strong background.

Scenography Gallery

The mission of the Gallery is:

- ✓ popularize the art of scenography in Ukraine, attracting attention and bringing scenographers from behind the scenes to the publicity;
- ✓ to popularize Ukrainian art and a positive image of Ukraine abroad;
- ✓ to support creative youth and scenographers of the new generation in professional development.

Activity:

- 2017 – 6 exhibitions (9 scenographers presented)
- 2018 – 9 exhibitions, 2 theater exhibitions, Lviv Quadriennale of Scenography
- 2019 – 9 exhibitions, Young Scenographers Contest
- 2020 – 7 exhibitions, online educational lectures and meetings
- 2021 – 6 exhibitions, online educational lectures and meetings, Lviv Quadriennale of Scenography, book “Ukrainian theater costume of XX-XXI century) published
